Diagram illustrating the structure of a hair follicle and the application of laser treatment. The diagram shows a cross-section of the hair follicle, including the hair bulb, sebaceous gland, arrector pili muscle, and follicular papilla. A scale bar indicates 4mm. Three laser wavelengths are shown, each with an arrow pointing to the hair bulb:

- 755nm Alex
- 808nm Speed
- 1064nm YAG

A circular inset image showing a woman from the waist down, running on a paved path. She is wearing a grey tank top, pink shorts, and a black smartwatch on her left wrist. The image is cropped into a circle.
