EXFU FINDX

EXFU FindX modality offers an unprecedented solution to the muscle category. Controlled and precise energies are delivered uniquely to muscle groups via best-in-class electrical muscle stimulation. The muscles are safely activated without heating the surrounding tissue. Paired with specific pulse durations by muscle group, performance-informed smart training programs and advanced adaptive algorithms, each treatment is fully personalized and mimics a real training session that can build intensity over time. exfu enables effective and comfortable treatment programs regardless of the patients' fitness level, resulting in stronger and more defined muscle appearance.
