

5 in 1

BODY SHAPING SYSTEM

- ◎ Roller mechanical massage
- ◎ Vacuum negative pressure adsorption
- ◎ Bipolar radiofrequency thermal
- ◎ Near infrared laser

Advantage

5 treatment handles

According to different treatment areas, treatment items, treatment demands, etc., it can easily achieve perfect body shaping, local slimming and weight loss, skin tightening and lifting, skin texture improvement, etc.

Perfect control system

Adsorption strength, adsorption frequency, roller speed, roller direction, red light intensity, radio frequency power, etc., can be freely adjusted to meet various treatment demands of patients.

True dual-monopolar radio frequency system

The dual-monopolar radio frequency system using Korean 6M radio frequency power supply effectively avoids epidermal burns. The radio frequency energy acts more concentratedly on the target tissue (dermis and subcutaneous tissue), resulting in less pain during treatment. , the number of treatments is significantly reduced.

80K cavitation: "超声波" 是一种机械波，它通过机械振动来破坏脂肪细胞，从而达到减肥的目的。Cavitation 是一种利用超声波来破坏脂肪细胞的技术，它通过机械振动来破坏脂肪细胞，从而达到减肥的目的。这种技术可以有效地破坏脂肪细胞，使脂肪细胞内的脂肪物质释放出来，从而达到减肥的目的。这种技术的特点是无痛、无副作用、见效快。

RF 是一种利用射频能量来加热皮肤组织，从而达到紧致皮肤、减少皱纹的目的。RF 是一种利用射频能量来加热皮肤组织，从而达到紧致皮肤、减少皱纹的目的。这种技术的特点是无痛、无副作用、见效快。RF 是一种利用射频能量来加热皮肤组织，从而达到紧致皮肤、减少皱纹的目的。这种技术的特点是无痛、无副作用、见效快。

Working principle

1 Pumping, relaxing, and pressing through vacuum suction

3 Reuse 940nm infrared to effectively reduce fat cells

4 Then use the roller or massage to dissolve deep fat, clear the lymph, eliminate toxins, eliminate edema

5 Use 10MHz RF to tighten and enhance skin after weight loss

6 Finally, the orange peel is faded, the curve is attractive, and the skin is smooth and smooth.

Working principle

Large handle with vacuum roller+RF+IR
For large area such as thigh, buttock waist and abdomen.

Medium handle, vacuum roller+RF+IR, button control
For small area, such as arms, flanks.

Small handle, vacuum +RF
For face, forehead and neck.

Smallest handle, vacuum +RF
For eyes.

Large 40KHz cavitation handle
For all body slimming.

1. 2.8mm vacuum roller

2. 2.8mm vacuum roller, 2.8mm vacuum roller, 2.8mm vacuum roller

3. 2.8mm vacuum roller, 2.8mm vacuum roller, 2.8mm vacuum roller

4. 2.8mm vacuum roller, 2.8mm vacuum roller, 2.8mm vacuum roller

5. 2.8mm vacuum roller

6. 2.8mm vacuum roller, 2.8mm vacuum roller, 2.8mm vacuum roller

7. 2.8mm vacuum roller, 2.8mm vacuum roller, 2.8mm vacuum roller

Treatment efficacy

Body shaping

Dissolves fat and improves skin

Improve stretch marks

Dissolves fat and improves skin

Create a V face

Relieve joint pain
